“Although I was skeptical about registering for the class initially, it was the best decision I could have made as a new daycare provider. I learned many valuable things for filing my taxes, running my daycare, working together with parents, making the day fun for a 6 month old and a 6 year old at the same time, and much, much more!”

-Sarah Mulheran, Chaska

**Funding: SCLFCCA is subsidizing \$800 to defraying the cost of this class for ALL participants. Your cost, just \$40 for 16 hours of training, is a BARGAIN!!!!!!**

**What if I can't make all the classes?** Answer: You can take the class you miss in the fall or next spring at no additional cost. We understand about illness and family commitments.

“I wanted to THANK all the instructors, and all of the participants for an amazing 8-week learning experience! As a "newbie", it has been so helpful to learn from ALL of you. I teared up during the graduation ceremony, not just because it was our last class together, but because it was an awesome reminder to me as to WHY I am so passionate about this field and why I cannot wait to spend my days with kids of all sorts! We all really are making an amazing difference in these kids' lives, whether it feels like it day-to-day or not. THANKS to all of you, for making that difference and helping future generations learn about this big, broad world!” Laura Arends Spring 2017

“Thank you so much for all the work you’ve done to make this class what it is. I have learned so much and have so much for my money in this class. I also got another gift, confidence. I am sad that this class is coming to an end simply because of the amount of material I’ve learned. I have benefited greatly as well as my family and my “daytime families” aka my child care children & families. I can’t thank you enough! Billi Larson (Fall 2012)
